of an industrial village in  
Nottinghamshire  
(Jacksdale)*

**16th March 2010**

**Dr Ian West,**  
*Many lights make hands  
work? Artificial lighting  
in early factories*

## Other events

The monthly meet  
at the Califat  
excavation continues  
on the 2nd Tuesday  
of every month.  
We are homing in  
on the site of  
boilers and there  
is much spoil to be  
re-shifted.

Any help would be appreciated!
